REMARKS/ARGUMENTS

The attached replacement sheets of drawings have no substantive changes. These replacement sheets are being sent, in response to the Examiners request in the Notice to File Corrected Application Papers, because the originally filed drawing sheets were date stamped on part of the illustrations on Figures 3, 6, 8, 10A-B, 12, 13A-13B, 13D-E, 14A-C, 17A-B. In response, we are resending a complete set of drawings to replace the originals previously filed.

CONCLUSION

Entry of this amendment is respectfully urged since it merely cures a formal defect in the drawings and does not touch the merits.

Respectfully submitted,

Jason D. Lohr
